

# THE CHEMISTRY FOR AGEING WORKSHOP

28<sup>th</sup> November 2022

at

The Royal Society of Chemistry, Burlington House, Piccadilly, London, W1J 0BA

---

## PROGRAMME

09:00	<b>REGISTRATION WITH COFFEE</b>
09:45	<b>Professor Richard Faragher (University of Brighton)</b> <i>The BLAST Ageing Research Network</i>
10:00	<b>Professor Lynne Cox (University of Oxford)</b> <i>What Biologists Need for Ageing Research</i>
10:30	<b>Dr Adam Rolt (Medicines Discovery Catapult)</b> <i>Challenges and Successes in Screening for Drugs for Ageing.</i>
11:00	<b>Flash Talks on Senescence and Screening</b>
11:15	<b>POSTER SESSION &amp; COFFEE</b>
11:45	<b>Professor Richard Hartley (University of Glasgow)</b> <i>What Chemists Offer to Ageing Research.</i>
12:15	<b>Flash Talks on Available Chemistry</b>
12:30	<b>Open Discussion on Ageing Research</b>
12:45	<b>NETWORKING LUNCH</b>
13:45	<b>Dr Helena Cochemé (MRC London Institute of Medical Sciences)</b> <i>Redox regulation and ageing</i>
14:15	<b>Flash Talks on Redox</b>
14:30	<b>Open Discussion on Redox</b>
14:45	<b>POSTER SESSION &amp; COFFEE</b>
15:15	<b>Professor Filipe Cabreiro (Imperial College London)</b> <i>Chemistry of the Microbiome in Ageing.</i>
15:45	<b>Flash Talks on Diet and the Microbiome</b>
16:00	<b>Open Discussion on Diet and the Microbiome</b>
16:15	<b>Dr Mikhail Shchepinov (CSO of BioJiva)</b> <i>Translating Chemistry Research in Ageing</i>
16:45	<b>Professor Richard Faragher (University of Brighton)</b> <i>Closing Remarks</i>
17:00	<b>Close</b>
